### 1. DONALD – WHAT TO DO WITH THE tac 2017 beanies??

- a. Members stated to give them to activities

### 2. SFANA Activities being responsible for all area events.

- a. At our business meeting we discussed should any activity that is put on by ACS to have it be overseen by the activities committee.

There was lengthy discussion that included clarity of Subcommittee events of individual group events. Members asked if this was in response to gathering more oversight for the Subcommittees?

Members also asked for clarity from the ACS Facilitators to check our guidelines for direction. Currently there is no specific Guideline in this matter. Members also spoke to the role of Each subcommittee – to specify if subcommittee roles are overlapping.

### 3. Update the schedule on the website –
